### Who benefits?

Everyone! Those who celebrate with us have a great night out. But MORE. . . . Moriah House Family Shelter receives every \$\$ from our Ladies Night Out auction.

- Moriah House provides services to female veterans and families who are homeless or have resided in substandard living conditions and meet guidelines as low or extremely low income. West Side Catholic Center operates Moriah House Family Shelter.
- Moriah House services include more than just interim housing – including guidance in finding permanent housing, stable income, self-sufficiency, education and training.
- Moriah House family services address with parents and their children the mental, physical, social and education needs of each child served.

Moriah House stands as a legacy to Moriah Lydon, granddaughter of long-time St. Christopher Parishioners, Julie & Jess Bell. Moriah lived with her family in Rocky River, attended Rocky River High School, and died September 12, 2001 at 15 years old. Moriah House serves families in need in Moriah's memory.
