

## Rice Bowls

Sponsored by Catholic Relief Services

Catholic Relief Services will once again provide a way for us to share our blessings with communities experiencing hunger around the world. Collection boxes are available at the entrances to the Church. There is no contribution too big or too small - perhaps you can give the cost of the thing(s) you are sacrificing for Lent or eat a meal at home and donate the cost of dining out. Each person can contribute for their own sacrifice so this is a great family Lenten activity.
